FEBRUARY 12, 2024

NEW NEWSLETTER!

GRACIAS (the Growing Ramos Association Cultivating Inclusion and Academic Support Inc.) has a lot of services and programs to help Latino students along their educational journey, and we are constantly expanding. Therefore, we will now be releasing biweekly newsletters to keep you up to date on upcoming events and programs as well as new resources.

"MI CAMINO AL EXITO" WEBINAR SERIES

GRACIAS will be inviting an accomplished professional of Hispanic/Latino descent to share his/her journey through higher education and career, how they overcame obstacles students face everyday and give advice for the next generation. Each session will be recorded and placed on our website a week later.

Last Wednesday, we started this series listening to Dr. Christopher Ramos, a vascular surgeon from Grady Memorial Hospital. You can view that recording on our website.

Join us on **Wednesday, March 06 at 6pm** as we hear from Immigration and Business attorney Hipolito Goyco as he shares his journey and how to become a lawyer as a Latino. This session will be over Zoom.

“SI SE PUEDE” WEBINAR SERIES

GRACIAS will invite a college/university of the Atlanta area to share the programs and resources they have available for prospective Latino students.

Presentations will be **in Spanish** and recorded to be placed on our website.

Join us as we start this series with University of North Georgia!
