USING OUR WHATSAPP COMMUNITY

As a reminder, our WhatsApp community is a great way for students and parents to ask current college students and college experts your questions about various topics. Our WhatsApp community will be discontinued during our summer pause of **May 17 - July 22**; however, our WhatsApp will be **active June 3-5** and return fully after July 22. Starting June 5, the Wednesday session will begin to focus on College Career Connections (i.e. resume building experiences during college, questions about Co-ops and Internships) instead of College Life.
